

Green Berets to Visit Classes, Present Program for Public

Major Charles Mendoza and Sergeant Roman C. Anchondo, both Green Berets with extensive experience, will visit campus April 13.

The two men will speak to classes, speech, drama, and science classes, during the day. They will discuss the Southeast Asia problem and explain the work of U. S. Special Forces fighters in Vietnam. At 7 p. m. they will present a program in the Administration Auditorium.

Since only reserved seats will be available, students who wish to attend the illustrated program must purchase tickets in advance. They may be obtained from the Den Apr. 4, 5, according to Bob Dickey, Union member.

Commissioned in 1955, Major Mendoza has served two tours in Vietnam. He was first stationed in the mountain regions of Camp Plei Djereng. Later he served in the Delta region of Camp Tinh Dien.

Major Mendoza commanded the Second Ranger Company in the Army and has received many decorations — two Bronze Stars for valor; two Air Medals; five Accommodation Medals; three of which were awarded for valor; the Vietnamese Cross of Gallantry, the highest award of the Vietnamese government; Vietnamese and United States Air Force and Ranger Patches; and the United States Pathfinder Badge.

Sergeant Ancho is from Honolulu, Hawaii. He has served in the Army for 20 years. During 15 of these years he has worked in the 82nd Airborne. He has been in the Special Forces for five years.

Sergeant Ancho holds the black belt in karate and has been skilled in judo and karate for 31 years. He is the leading karate man in the Special Forces. He taught physical conditioning at West Point and will give a demonstration of karate at MSC.

Sergeant Ancho was at Camp Kanach when it was attacked by the Viet Cong. He took slides of the battle which he will show at the evening program.

History Instructors Attend MU Meeting

Five Northwest Missouri State College American history instructors attended the eighth Missouri Conference on History Mar. 25-26 at the University of Missouri.

Those attending included Dr. John L. Harr, Mr. Clarence Henderson, Dr. Paul C. Henlein, Mr. James A. Hurst, and Mr. Harmon Mothershead.

Among the topics explored at the annual gathering were American Negro History, Nineteenth Century European Diplomacy, The History of American Politics,

Nick Erganian, H. L. Poynter Vie For Presidency of Student Senate

Voting for Student Body president, vice president and Senate seats will be held tomorrow in the Colden Hall Lounge from 8 a. m. until 4 p. m.

Nick Erganian and H. L. Poynter are candidates for president; Marlene Kelly and Roger Schlegel, vice president. Joe Logan is a lone candidate for Union Board president.

Junior class senator candidates are Fred Laezen, Mary Frances Schulenberg, and Jan Gray; sophomore class, Rodney Beem, Alan Pruitt, and Chris Johnson; and freshman class, Steve Lloyd, Cherie Jordan, and Rachel Templeman.

Erganian, junior, St. Joseph, is sponsored by GDI, independent student organization. He has a double major in physical education and speech, is active in drama and forensic work, and is secretary of Alpha Psi

Omega and treasurer of Pi Kappa Delta, honorary drama and forensic fraternities. Erganian ranks third in intercollegiate oratory in Missouri and holds a 60 per cent victory average in intercollegiate debate for this season.

Poynter, junior from Maryville, is sponsored by Tau Kappa Epsilon fraternity. He is a psychology major and a general science minor. He is coordinator for the Dracula Club, member of the public relations committee of TKE, a member of the decoration committee for the Union Board, and active in the campus Christian religious organization.

Miss Kelly, Excelsior Springs, is sponsored by GDI. She is a vocational home economics major, a member of the Women's Residence Hall Council and Colhecon, was first

runner-up in the 1964 Miss Maryville Pageant, and was a 1965 Homecoming Co-queen.

Schlegel, Dubuque, Ia., is sponsored by Phi Sigma Epsilon fraternity. He is a three-year football letterman, a physical education major and a history minor, a member of IFC and vice president of PSE.

Logan, Maryville, is sponsored by Sigma Tau Gamma fraternity. He is a physical education and an industrial arts major, member of Blue Key, a track letterman, member of the IA Club, IFC, and the Religious Emphasis committee. He has been on the Union Board three years, serving as central party chairman for two years; improvements chairman for one year; and MSC candidate for president of the Region II convention in Stillwater, Okla., last fall.

The two presidential candidates state their platforms as follows:

Presidential candidate H. L. Poynter; "Northwest Missouri State College and its student body have encountered many problems in expansion toward becoming a leading educational, social and cultural center, and it will undergo a multitude of conflicts as time passes and new problems arise. I certainly do not pretend to have an answer for every problem."

"My plan for an effective government on an expanding campus includes a greater unity of spirit between the student body — the administration, the faculty and the community. (Continued on Page 8)

Northwest State Student Papers Read At Statewide Sociology Conference

MSC was represented well in the papers read at the recent Sociology Anthropology conference held at Webster College, St. Louis.

Mrs. Robert Nagle of the MSC Social Science Department sponsored the students who participated in the meeting. The main purpose of the conference was to encourage and develop techniques of research by undergraduates in the Social Science area.

In order to participate in this statewide conference, students had to submit research papers concerning the field of Sociology and Social Science. If a student's paper was chosen by the department giving the conference, he was eligible to attend the meeting.

Representing MSC was Carol Lafferty, with a research paper entitled "Are Food Demonstrations Necessary?"; Sharyl

Ingram, "Transition of Coed Sex Standards: Freshman Through Senior Years"; Douglas Girling, "War Attitudes of College Students."

Melanie Eisiminger, co-author with Carol Lafferty, and Joyce Ridge, co-author with Sharyl Ingram, were unable to attend the conference. Sam Nicholas, also of MSC, entered a paper entitled "Group Interrelationships in a College Town." Although Nicholas could not attend the conference, his paper was given honorable mention.

Miss Lafferty prepared her paper under the direction of Doctor Lowe, and other students completed their research in the sociology and social psychology classes instructed by Mrs. Nagle.

Finalists to Compete For 'Maryville' Title

Ten talented MSC coeds were selected from among 21 contestants in the 1966 Miss Maryville Pageant preliminary round Tuesday evening.

One of the group will be crowned Miss Maryville at 7:30 p. m. Apr. 19 in the Charles Johnson Theater of the Olive DeLuce Fine Arts Building. The local pageant, sponsored by the Maryville Jaycees, is an official preliminary for the Miss America Pageant annually held in Atlantic City, N. J.

Candidates chosen are Gayle Bradfield representing Sigma Sigma sorority; Sara Copman, Alpha Sigma Alpha; Perry Crain, at large local entry; Tammy Freel, Men's Dorm Council; Toni Johnson, Alpha Sigma Alpha; Marlene Kelly, Student Independent Organization.

Jonnelle Schrier, Phi Sigma Epsilon fraternity; Katherine Seabaugh, Alpha Kappa Lambda; Sharon Walker, Phi Mu; and Diana Wiley, Delta Sigma Phi.

Tickets for the pageant may be obtained from the sponsoring organization's outgoing president, Joe Jackson IV, at the Citizens State Bank.

MSC Leaders Get Draft Test Data

Applications for Selective Service College Qualification Tests are available to MSC men through the office of Bruce Wake for men living on campus and through Dr. Charles Keorble's office for those living off-campus.

Although students are not required to take the test, the Selective Service strongly urges men students to apply for the 3-hour multiple choice examination.

The examination will be given on the campus on three dates, May 14 and 21 and June 3. The test results and/or class standing will be used by local boards to help determine eligibility for deferment of college students.

To be eligible to take the test, an applicant, on the testing date, must be a Selective Service registrant who intends to request occupational deferment as a college student and must not previously have taken the test.

Students will be given a bulletin of information concerning the test and an application card and mailing envelope.

Pi Beta Alpha to Meet

Pi Beta Alpha, business fraternity, will hold a meeting at 7:30 p. m. tonight. A final count will be taken of all persons interested in going on the Omaha trip scheduled for Apr. 20.

Prospective Teachers Meet Administrators

More than 70 school administrators of the area conferred with seniors desiring teaching positions at the recent third annual NWMSC Teacher's Placement Day.

The purpose of the project, coordinated through the Field Service Office, is to acquaint administrators and prospective teach-

ers with each other. Also, prospective teachers are given the opportunity to learn of positions available in their respective fields. A new high in attendance was recorded for both groups.

In the Armory scene Mrs. Norena Harrold and Robert Subdaby talk to A. E. Beach, superintendent of the Maryville R-II Schools.

DISCUSSING IDEAS WHICH EMERGED from the past two meetings of the students' committee of the Kansas City Regional Council for Higher Education, delegates Rosie Bartlett, Bob Bosch, and Diane Brown also prepare for the next session. Purpose of the council is to improve the academic climates of the campuses involved.

KRCHE Committee Discusses Student Government, Leadership

Student Government was the topic of discussion when the students' committee of the Kansas City Regional Council for Higher Education met Mar. 22 at Park College, Parkville, Mo.

Representatives Diane Brown and Rosie Bartlett participated in the session. MSC's other delegate, Bob Bosch, was unable to attend. Misses Brown and Bartlett were accompanied by Dean Charles Koerble, who attended a Dean of Students' committee meeting, and Dr. George Axtelle, professor of education and philosophy at Southern Illinois University.

Dr. Axtelle, who stressed student-faculty relations in a morning lecture entitled "Some Working Concepts for Leaders," also keynoted the afternoon exchange of ideas. Suggestions and comments from that session include:

- That editors of the college newspaper attend senate meetings and that they publish the percentage of voters following each election.

- That at the beginning of the school year, the senate, administration, and a few representative members of the faculty meet to discuss plans and potential problems for the ensuing months.

- That a student representative participate on faculty committees, especially to inform the faculty of the student point of view.

- That a public affairs committee, consisting of well-informed persons, handle affairs that are of current interest on campus, that they set up public meetings to inform, not to protest.

- That to help insure better communication and interest between the student government and the student body, the senate involve as many students as possible, not just senate members, in senate activities.

- That to improve communication between the senate, student body, and faculty, a luncheon or meeting or coffee hour be held.

- That the student body president have had experience on the senate, that he have held an office in some organization, that the candidates debate before the student body and participate in a question-answer session.

- That problems dealt with by student governments include communication, disinterest of students with student government, academic standards, cheating, finances, course evaluations, controls over dress, the campus newspaper, a cut policy, compulsory events, student courts, drinking rules, dormitory hours, student academic freedom, and student orientation.

At the next meeting of the KRCHE students' committee, scheduled for the last week in April, delegates will continue discussing student government as well as orientation programs. The delegates also will exchange handbooks and constitutions

For Union Board, Senate

New Projects Proposed by Students

To the question "What projects would you like to see the Union Board or Senate do for next year?" came a number of constructive replies, some of which follow:

Kay Elder, a sophomore who is the president of AWS and a dorm counselor: "The student handbook should be revised, especially the part pertaining to women's rulings which have been changed considerably in the past year. I realize this is no easy task, but if we are to progress in the future, we must keep up with the present.

"We need more activities to keep students here at MSC on weekends. There should be, on both Friday and Saturday nights, something interesting enough to hold the students' enthusiasm and to make them glad to stay at school on weekends. These should, most definitely, be well planned activities. If these events do not take place, the students not only lose faith in Union Board but in the school as a whole. I believe all organizations should work with this body to get MSC away from being called 'a suitcase school,'" Kay concluded.

Janis Butcher and Janice Baker, freshmen roommates, proposed: "We would like a sidewalk put in leading from Hudson Hall to Colden Hall." The girls also pointed out that many believe that the dress regulations for dinner should be changed from school clothes to more casual clothes. They feel the need of more recreational activities. Perhaps a recreation room equipped with ping pong tables, pool tables, and trampolines could be provided.

More outside entertainment should be provided on weekends to draw more interest to keep the students here on weekends.

"I feel that the Union Board is going to continue doing an excellent job in presenting entertainment for the student body," said Vivi Walkup, Oregon, sophomore.

"Sometimes I feel that many of us are not very understanding of the problems that confront the members of the Board. I would imagine that it is very difficult to coordinate entertainment for over 3,000 students with varying interests. In my opinion, to decide which entertainment is most in demand would be almost impossible.

"As a freshman, I feel that I was not fully informed as to what the Union Board does. I still do not really know. If the Board could inform all new freshmen as to their activities, it would greatly help," commented Mary Asbell.

"Since I have become more aware of things the

Easter

Him

They had their Viet Nam's, their Harlem's, their Maryville's.

They had their juvenile delinquency, their adult delinquency.

They had the good, and they had the bad. Some of them went to religious meetings, and some went to apartment revelries and bush parties.

And they crucified Christ.

And aren't you amazed at how far civilization has advanced in 1,966 years?

At the Bleed-in

GIVE FOR LIFE

A soldier lies face down in the black mud within 200 yards of his bunker in Viet Nam. One of his own men finally notices him and contacts a radio man who signals for a helicopter to take the wounded man out of the area.

The chopper comes; the medics put the injured soldier on a stretcher and then into the copter. He is young, about 19 years old. He is administered serum albumin, the blood derivative used for emergency shock treatment.

In the camp hospital, it is found that the soldier has received a bullet wound in the stomach, is in a state of shock, and has lost a lot of blood. He is prepared for an operation and his type of blood is administered to him.

This has been duplicated many times in Viet Nam . . . Students at home often ask: "What can I do to aid the men in Viet Nam? What can I do to mitigate the suffering throughout the world? What can I do for LIFE?"

On Apr. 28 a Red Cross blood drive will be conducted on campus. The 240 pints of blood taken that day will be used by the Defense Department in Viet Nam for blood transfusions and blood derivative uses.

Coordinated by the Wesley Foundation with expected assistance of every organization and person on campus, the drive should be successful if over 1,000 students and faculty members sign up to give blood. If this is the case, our campus can petition for a larger two-to-three day drive next fall.

Warrensburg planned to have a two-day blood drive in early February, but response was so great that they had a three-day drive with over 800 students giving blood. We believe we have as much interest in this cause as Warrensburg.

Student apathy should not be condoned in this case because a person is against our country's policy in Viet Nam. The point is that the blood is used to save lives.

Those 18 to 21 years of age must have their parents' signatures on release which may be acquired from the Missouri office, the main bulletin boards in Colden Hall and the Administration Building and from the Wesley Foundation.

Won't you "Give so That Others Can Live"?

Board does, I have really appreciated these things. I only wish that more students would take advantage of the free entertainment and exhibits provided. The only thing I see wrong is the lack of some organization in informing the students what the Union Board is all about," Miss Asbell said.

"I would like to see the Senate check election rules, see that contestants are informed and then enforce all the rules. I think it is a shame if inflections are allowed to pass," stated Susanne Shriver, Maryville, sophomore.

"When holding the election for Student Senate, there needs to be more information, and knowledge offered about the candidates themselves. Many times the students do not even know the candidates. If possible, a student body meeting needs to be held to hear the candidates and the issues. This I feel would give the voters better knowledge of the candidate and what he stands for," proposed Leland L. Carmichael, Villisca, Iowa, junior.

Don Robbins, member of Union Board, commented about future Union Board activities: "Due to student interest in this year's presentation of 'Stop the World,' the Union Board is presently planning the presentation of similar semi-classical entertainment for the coming school year. Plans are being made for more and better all-school informal dances featuring popular name bands. We plan to schedule more speakers involved in current affairs.

Area Students Visit MSC Campus

CONFERRING WITH President Robert P. Foster are Connie Gorsuch, Patty Willhoyte, Jeff Larmer, and David Watkins, who participated last weekend in the student visitation program as representatives from Maryville High School.

Northwest Missouri State College has instituted a Student Ambassador of Good Will Campus Visitation program, inviting high school upperclassmen visit MSC on weekends to become acquainted with the college.

The program, which has been underway for two weeks, will continue for four weeks following the Easter Vacation.

The students arrive on campus Thursday evening and room in the dormitories until Saturday morning. As guests of the college, they visit classes, participate in different student activities, confer with college officials, and in general, experience what college is like. They have their meals with the college students in the cafeteria.

Approximately 80 students have already visited the campus. Before completion of the program a total of 240 high school juniors and seniors representing 87 schools in this district will participate in the get acquainted program.

For the past weekend visits, Kappa Delta Pi and college students from the respective home schools have served as guides for the guests. Other honorary and social fraternities will serve on future weekends.

This project, the result of a meeting of area school administrators and President Robert P. Foster, is an attempt to familiarize the high school student with the college.

istrators and President Robert P. Foster, is an attempt to familiarize the high school student with the college.

STUDENT REMINDER

Oscar Kirschner, assistant dean of administration, reminds students that a penalty of one negative semester hour credit (1.0) will be given for each day or fraction thereof for unexcused absence before or after a holiday.

Faculty Dames to Give Party for Children

The Faculty Dames will hold their annual party for their preschool children at 2 p. m. Apr. 14, Mrs. Burton Richey, president, has announced.

The party, previously scheduled for Apr. 7, was postponed because of Easter vacation. It will be held in the Rose Room of the Student Union. Mrs. John Fuhman is hostess chairman.

NORTHWEST MISSOURIAN—APRIL 1, 1966—PAGE THREE

Pi Kappa Delta Members Complete In National, Bi-Province Conventions

Novice debaters Linda Hornaday and Terry Lutz participated in eight rounds of power matched debate at the first annual National Novice Debate Tournament in Chicago the past weekend.

The tournament was sponsored by the University of Chicago, Northwestern University, and the University of Illinois in Chicago. None of the entrants had had intercollegiate debate experience prior to this season.

Other forensic students competed in debate and individual events at the Pi Kappa Delta Bi-Province Convention at Morningside College, Sioux City, Iowa, during the weekend. All tournament entrants had to be members of Pi Kappa Delta, national honorary forensic fraternity.

Marjorie Hitchcock and Ron Wineinger were entered in cross-examination debate. Gail Holliday and Linda Brinton debated in women's division. MSC debaters in men's division were Milton Brod and Wayne Brinton.

Susie Potts and Dan McLaughlin were entered in discussion. Other MSC students competing in individual events were Miss Halliday and Miss Brinton, original oratory; Miss Hitchcock, oral interpretation, and Miss Potts and Brod, extemporaneous speaking.

Miss Sandra Hybels, MSC speech instructor, and Jerry Winsor, forensic instructor, served as judges at the Pi Kappa Delta convention. George Hinshaw, forensics adviser, accompanied the girls to the Chicago tournament.

Woodblock Print Recognized Third

Senior art student Roger Ambrosier recently received word that his woodblock print has been awarded third prize in the Nebraska Governor's Art Show, Omaha.

Roger Ambrosier

Placing in the impressionistic division, the print also was awarded \$50 in prize money. Although Ambrosier has previously received recognition for his work, this was the first large exhibit in which he has gained major recognition.

Currently he is having additional work considered for an exhibit at Nebraska Wesleyan University, Lincoln.

SMOKEY THE BEAR visited the row: Roxanne Dady, De Ann An-kindergarten level at Horace Mann ders, and Louise Farquhar; back when the children studied a unit row, Miss Nieman, Freddy Dunn, on firemen planned by their stu- Cindy Allen, Bryan Hilsabeck, and dent teacher, Judy Nieman. Karen Scott. Miss Kathryn Mc-Shown in the picture are, front Kee is the supervising teacher.

LECTURING about the quadratic formula is part of daily instruction for student teacher Wray Bell. He is pictured as he lectured to sophomore and junior year mathematics students at Maryville High School. His supervisor is John McGinness, an MSC graduate.

Former MSC Students

"We look upon student teaching experience as being the culmination of the total program of pre-service in teaching," stated Dr. Milan Dady, director of student teaching in discussing the teaching phase of the teacher training program.

In guided teaching, the student is given the opportunity to observe a master teacher as well as to direct the learning experiences of the children.

Normally, those students assigned to student teaching in the Horace Mann Laboratory School or in the public schools of Maryville are assigned to a semester program involving six hours of college credit. Students who participate on the block program usually are assigned to other schools located outside the

immediate Maryville area and receive nine hours of college credit.

During the present semester, there are 195 students in the secondary schools' teaching program and approximately 80 students enrolled in student teaching in the elementary schools. The college will have almost 250 different cooperating public school teachers in the MSC area this semester. Participating students will be assigned to schools in nearly 35 different school systems.

Student teacher supervisors in Horace Mann are part of the regular staff at MSC. The off-campus coordinators from MSC are members of the Division of Education who divide their time between their assigned off-campus responsibilities.

AMONG STUDENT INSTRUCTION activities of Mrs. Herb Selby is the explanation of how to safeguard personal possessions while physical education classes are being held. Mrs. Selby is pictured showing sophomore coeds Gail McGinnis, Barb Biffle, and Marlene Thompson how to transfer the lock from their gym clothes basket to the metal locker. Mrs. Lawrence Wray, a graduate of MSC, is the supervising teacher.

FIRST LEVEL students at the Horace Mann Grade School are pictured with a student teacher, Mrs. Judy Girling, in the costumes they wore at a culminating activity for their circus unit. Circus guests, Lori and Jennifer Bejcek, are seated on the floor. In the back row are Mrs. Girling, Kieth Dyche, Barbara Pierce, and De Anne Smith. The supervising teacher is Mrs. Betty Bejcek.

Guide Their Successors

ties and their on-campus duties. The off-campus assignment of each coordinator depends upon the extensiveness of his on-campus duties.

The pictorial review of student teaching as evidenced on these pages was selected from the activities currently in progress. Although they may seem unique, they are representative of the many activities that student teachers participate in during the regular directed teaching assignment, Doctor Dady explained.

Members of the Horace Mann faculty who supervise the work of student teachers each semester are

Mrs. Zelma Akes, Mrs. Raymond Arthur, Mrs. David Bejcek, David Crozier, Mrs. Avis Graham, Donald Hefner, Mrs. Esther Knittl, Mrs. Ruth Larmer, Miss Lois Loveland, Miss Kathryn McKee, Miss Ruth Miller, Fred Reeves, and Dean Savage.

Off-campus coordinators who also teach classes on campus include, in addition to Doctor Dady, Dr. Donald Armstrong, H. R. Dieterich, Dr. Howard A. George, Dr. James M. Gleason, Dr. Frank D. Grispino, Dr. Charles R. Lemley, Fred Reeves, Dr. Julius Schulz, and Roy Walker.

INSTRUCTION is being given by Miss Judy Lynch, art student teacher at Maryville Junior High School. She is shown with her supervising teacher, Mrs. Loren Wiseman, an MSC graduate, and students David Messner, squatting and David McClain, standing.

The tropical wall scene was created by six eighth grade girls who pasted yarn on a burlap background. Each year one of this type of project is created after the eighth grade class votes for the most popular idea presented from among their group.

LABORATORY INVESTIGATION stimulates inquiry outside the classroom at Maryville High School. Student teacher Mike Karsnak and students Bonnie White, Steve Taylor, and Cindy Wright view a living example of transportation and water loss in a plant in the school solarium that is supervised by Lawrence Wray, MSC alumnus.

INDIVIDUAL HELP with penmanship exercises is one of student teacher Kathy Carlson's daily duties. Here she is showing first grade students Martin Gross, Paula Miers, and Randy Tompkins how a picture relates to the sentences which they have just written. Miss Carlson's supervising teacher is MSC graduate Mrs. Lloyd Brown, Eugene Field School.

THE MEANING of the pledge of allegiance was the theme of the program on flag etiquette which the fourth level students recently presented for the second level students at Horace Mann School.

Children in the play program were, seated, Mark Mitchell, Dana Whitney, Scott Parman, Bill Foster, David Froelich, Craig Gaugh, Roger Hilsabeck, David Scott, and Roger Baker.

Standing are Diane Widger, Rhonda McDonald, Vicki Gard, Cherie Treese, Marli Murphy, Bruce Twaddle, Randy Ward (director), Pam Snell, Debbie Ender, Ted Rounds (drummer), Debbie Dougan, Robin Thate, Polly White, Regina Robertson, Pam Fry, and Lori Watkins.

Student teachers shown in the back row are Lynnette Bradfield, Linda Strachan, and Nancy Rotts.

THE STROLLER

— The Stroller wandered into the men's dormitory as the cold winds of spring were blowing through the open windows.

With spring in the air, the men are showing spirited signs of collegiate life. There seems to be more free time this semester, or is there?

Mid-term week included the usual run of cherry bombs, water fights, stray dogs, switched mattresses, and shaving cream battles.

— The traditional marches to the pond are in full swing. Just ask any wet fellow who has celebrated a birthday lately.

The Stroller found results of the rules concerning cafeteria dress a little hard to believe after he saw two men "pooling" shirts in the coat room of the Union.

— The men's halls are preparing for their next open house on Apr. 3. One counselor in the basement of Wilson Hall had his men put large name tags not only on their doors but also on light sockets, restrooms, and lounges. Could revenge be a motive for this?

— Bedecked in a long overcoat, horrid mask, and carrying a candle, someone looked as if "something from another world" were pacing the halls. Who was that ugly creature haunting the men's dorm that

dark afternoon when the lights were cut off?

— An MSC men prepared for a dance that he read about on a poster. The poster stated: "Grinders, Mar. 27, 5:30-6:30, Cooper Hall, 35 cents." How did that sophisticated collegian fail to learn that "grinders" are sandwiches?

— An action packed Easter vacation to all of you, especially to the fellow whose door is jammed and won't be leaving with the rest of us...

Remember "evil" spelled backwards is "live."

Doctor Smith Writes For State Magazine

Dr. Donald Smith, chairman of the Department of Psychology at MSC, has been notified that his article, "Project: Enlightened Participation," will appear in the April publication of School and Community magazine.

In his article, Dr. Smith discusses the public school system as the center of American life. He points out various facets of the educational program which need attention, emphasizing the fact that the school cannot function unless it is involved in the life of the community, state, nation, and world.

April 25 Deadline Set For Jones Scholarship

The Apr. 25 deadline for applications for the J. W. Jones memorial scholarship was announced recently by Dean Charles E. Koerble.

The scholarship, made possible by alumni donations, is available to any junior student who has maintained a C plus or better grade point average, has shown able leadership, good moral character and campus citizenship, social maturity, and awareness of the aims and philosophy of Northwest Missouri State College.

Established in 1964, the scholarship is worth over \$100 and is to be used during the student's senior year.

The J. W. Jones scholarship committee will screen all applications and the final decision will be announced during the honors day program.

Those wishing to apply should contact Dr. Koerble immediately.

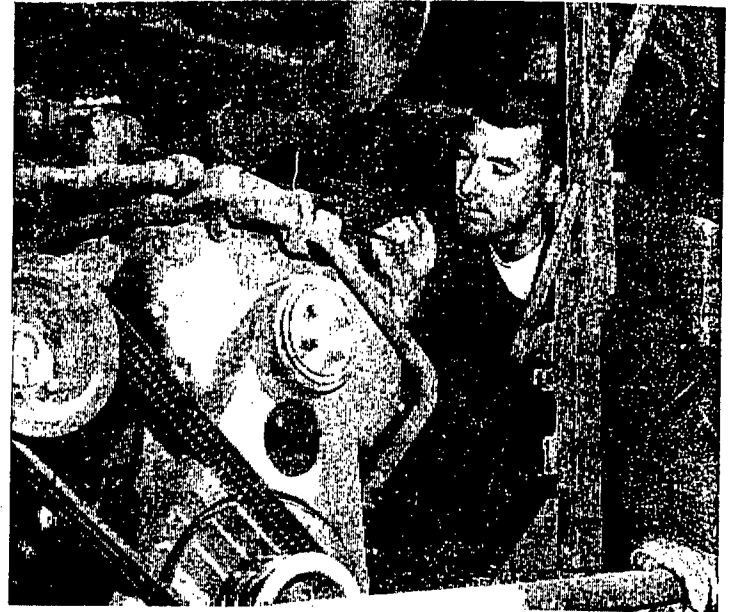

Marjorie Mathewson Heads Phi Mu Pledges

Eleven pledges of the Zeta Lambda chapter of Phi Mu Fraternity recently elected Marge Mathewson as their president.

The other officers are Cheri Jordan, vice president; Linda Gill, secretary; Jackie Fox, treasurer; Lois Sutton, song director, and Marilyn Wood, historian and reporter.

Mrs. Avis Burnett, English instructor, was initiated as the sponsor of the Phi Mu Fraternity on Mar. 3. This is her first year at NWMSC.

Veteran Bus Driver Relates Experiences of Life on Road

SERVICING the 671 cubic-inch diesel engine in the big silver bus down at the bus barn is a routine task for veteran driver Wilbur Adams.

Logging approximately 151,000 miles and working seven years for Northwest Missouri State College, Wilbur Adams has run the gamut as far as bus driving in Missouri is concerned.

Adams drives the big silver bus taking students on band, chorus, social science, biology and other class tours besides taking the basketball, football, baseball, and track teams to athletic contests.

When asked about his favorite spectator sport, Adams replied that because he played basketball in high school and could understand the game better, he prefers basketball.

Since the 32-year-old Adams has taken standard and advanced first aid courses, is a member of the Maryville special police force, and is active in the Nodaway County Civil Defense program, one would think that the driver is prepared to meet any emergency.

Several problems have arisen, however, that have taxed his powers.

On trips to Cape Girardeau, the longest bus tours, several incidents have happened, Adams reported. On one trip an assistant basketball coach got so nervous that he made himself sick.

During another journey to Cape the bus had a flat tire just outside of St. Louis, and Adams had to change the tire in a blizzard. After a track meet at Kirksville, Coach Earl Baker and Adams were rooming together at a Kirksville motel with the bus parked outside their room.

When they heard a motor start, Adams remarked, "Isn't that our bus?"

Coach Baker replied, "Yes, what are you going to do?" Meanwhile, the bus had left and there was nothing else to do but call the police.

Before the law men had found the bus, it had smashed a small blue car, hit a light pole, and hit either a red building or a red car.

Later it was learned that three Kirksville students had borrowed the bus for an escapade.

Except for one two-year stint in the army, Adams has resided and worked in Nodaway County all of his life. He is married and has three children.

Jim Vollmouth Heads Phi Sig Pledge Class

Jim Vollmouth, Atlantic, Iowa, heads the spring pledge class of Phi Sigma Epsilon.

Other officers include Greg Collins, vice captain, Lima, Ohio; Don Steele, secretary, Maryville; Allen Stevens, treasurer, Excelsior Springs; Bruce Blakely, chaplain, Carlisle, Pa., and Charles Boyer.

Campus Activities Need Official Calendar Status

According to a bulletin received from President Robert P. Foster, all activities should be scheduled on the college calendar through the office of Miss Karen Licklider, dean of women.

In order to avoid conflicts, any activity to be held in any building — Student Union, Fine Arts, Lamkin Gymnasium, Horace Mann, Colden Hall — should be listed on the college calendar.

Kansas Youth Wins Contest

THE WINNER of the Region 8 High School Oratorical Contest, John Peterson, Topeka, receives a medal from Frank H. Strong, director of the contest. Observing are Joe Gil-

christ, Oklahoma contestant, Dr. Leon Miller, and runner-up Robert Thedinger, Missouri contestant. Miss Carolyn Anton, Iowa contestant, was absent when the picture was taken.

John Peterson, Topeka, was the winner of the Regional 8 National High School Oratorical Contest held Monday at MSC.

Competitors for the right to go on to the contest at West Branch, Iowa, Apr. 4, were Miss Carolyn Anton, Oskaloosa Community High School, Oskaloosa, Iowa; Robert Thedinger, runner-up, Rockhurst High School, Kansas City; Joe Gilchrist, Oklahoma City, and Peterson. The winner was awarded a medal.

The annual contest was sponsored by the American Legion with the local James Edward

Gray Post No. 100 acting as hosts along with Northwest Missouri State College. James Vawter, past commander, presided at the contest.

Dr. Leon Miller, chairman of the Oratorical Commission of Missouri, served as local representative. Frank H. Strong, immediate past commander of the Missouri Department of the American Legion, served as national representative and director of the contest.

The subject of the 8- to 10-minute orations was some phase of the Constitution of the United States with emphasis on the duties and obligations of a citizen to his government. A 3- to 5-minute extemporaneous speech was later given by each contestant.

The participants were guests at a luncheon held after the contest.

Articles Found in Classroom

Two umbrellas have been found in a Colden Hall classroom.

The first has a brass handle and striped cover. The other has a variegated cover, aluminum ribs, black handle, and a chain attached.

"If either of these belongs to you, call for yours at 206A Colden Hall," advised the professor who found the weather equipment.

Chime Time

Mr. and Mrs. George Couch, Cedar Rapids, Iowa, announce the engagement of their daughter, Anita Jo, to Robert Dale Carl, son of Mr. and Mrs. Burton Carl, Atlantic, Iowa.

Miss Couch, an MSC sophomore, is a business major. Mr. Carl, a senior at Iowa State University, Ames, is majoring in chemical engineering.

The couple will be married Aug. 27.

Mr. and Mrs. Robert Daise, Clearmont, announce the engagement of their daughter, Linda Dianne, to John Eldon Blackford, son of Mr. and Mrs. Erville Blackford, Burlington Junction.

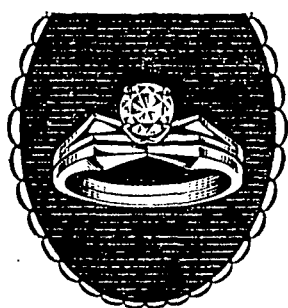

Miss Daise is majoring in elementary education; the groom-elect is an agriculture major.

Miss Chris Burks, daughter of Mr. and Mrs. Gene Burks, Bedford, and Phil Wise, son of Mr. and Mrs. Ralph S. Wise, Hopkins, were married Mar. 6 in the Bedford Presbyterian Church.

Mr. Wise is a freshman at MSC majoring in English and history.

Johna Butler Heads Pledges

Johna Butler was recently elected president of the Delta Zeta Pledge class. Other officers elected are Ann Mitchell, vice president; Karen Colton, secretary; Beverly Beeks, treasurer, and Judy Clark, reporter.

Ugliest Man to Be Found in Contest

AMONG FIRST CONTESTANTS for the Ugly Man on Campus Contest are: front row, faculty members Robert D. Nagle, sponsored by the Men's Dorm Council; James L. Lowe, Delta Sigma Phi; Dr. Frank D. Grispingo, Alpha Sigma Alpha; Jack L. Lasley, Phi Mu;

Donald C. Hagan, Roberta Hall; and Charles W. Fry, Delta Zeta.

On the back row are students Jim Shoning, KDLX Radio Station; Bob Bosch, Sigma Sigma Sigma; Bill Yeager, Tau Kappa Epsilon; Larry Matiyow, Sigma Tau Gamma; Ron Scott, Phi Sigma Epsilon.

How ugly does the winner of the "Ugly Man on Campus" Contest have to be? He doesn't have to be ugly at all. He just has to be a good sport and be able to obtain the most votes cast from the students and faculty of MSC.

Voting for your "ugly man" will be Apr. 13, 14, and 15 in the New Den of the Student Union building. Each 10 cents collected will count one vote for your candidate. At the carnival, scheduled for Friday, Apr. 15, from 7:30 p. m. to 12:30 a. m., the proceeds of each booth will count as votes for the candidate which it sponsors.

Erganian, Poynter

(Continued from Page 1) munity of Maryville. As a successful candidate, I would make every effort to prove worthy of your confidence, to be an active president with a definite concern for every integral part of Northwest Missouri State College and with the help of the Student Senate to pursue the best interests of the student body."

Nick Erganian, presidential candidate. "Feeling that the office of president of the Student Senate should lead to more significance than as just a 'Figurehead' leader, I would, if elected, try to be a person with whom the students could talk personally when problems or complaints arise.

"After all, when the students elect a president, he is responsible to them, to the faculty for them, and to the college about them.

"Lately there has been much dissension between the Greek organizations and independent students. This should NOT be. We are, first of all, college students together, here to be educated. There is no reason why Greek and independent cannot work together, equally, for the good of student life.

"If elected, I will do my best to clear up the conflicting situation between groups, and, to the best of my ability, work for the advancement of our school by being available to all concerned."

The Greeks will sponsor their annual senate election rally at 7:30 p. m. this evening. The rally will include a march with oil burning torches and a street dance.

The total proceeds that the sponsoring Alpha Phi Omega men's service fraternity receives from the participating campus organizations will be donated to the Student Loan Fund. Last year nearly \$2,500 was donated to the National Student Defense Loan Fund. This money was added to by the federal government, which resulted in nearly \$25,000 being placed in the NSDLF at MSC. The goal of \$5,000 has been set for UMOG '66. Impossible? No! Central Missouri State netted \$9,500 recently on their Ugly Man drive. Surely MSC can reach its goal if each person on campus will donate some of his time and money to electing the ugliest man.

One outstanding feature of the carnival will be Alpha Phi Omega and the Wesley Foundation's special information booth entitled "Give so that others will live." Information

James, Mason Elected Wrestling Co-captains

Ron James, junior from Chariton, Iowa, and Jerry Mason, also a junior from Chariton, have been selected wrestling captains for next year by their teammates, reported Coach Jerry Landwer.

Allan Packer, senior, was season high scorer with 72 points. James was second with 63 points. Arnold Thompson, senior, placed third with 48, and Mason came in fourth with 34.

Packer led the squad in pins this season, with 9. James, who placed sixth in the national finals, was second with 7 pins. He was the third wrestler in MSC history to place in the national finals.

An impressive dual meet record of 11-2, is reported by Coach Landwer to be the lowest finish in the past three years. He attributes this to "an irregularity of schedule with too many breaks." Potentially, he believes this to be the best squad he has coached in his four years at MSC.

Graduation will hurt the wrestling squad with the loss of Packer, who was 14-0 in dual meet competition; Thompson, 11-1; Harvey Hallum, 10-2; Bob Reece, 6-2, and Gary Randall, 5-0. Coach Landwer sees, however, "a fine group of returning juniors and sophomores, who will make us adequate next year."

concerning the Red Cross blood drive Apr. 28 will be presented at this stand.

Since this is the last Missourian before the Ugly Man Carnival, the contest staff hopes everyone will circle the evening of Apr. 15 on his calendar.

— Gary Dagley

Independents Regain Crown As Betas Defeat Peltics

In a thrilling finale the Betas, an Independent team, defeated the Sig Tau Peltics, 49-47, to capture the intramural basketball crown.

With less than one second remaining, the Betas broke a 47-47 deadlock on a 40-foot jump shot by Mike Peterson to stem a Peltic rally. With this victory, the championship passes from Greek to independent hands.

Last year's champions, the Tekes, were defeated in semi-finals competition.

The Peltics, who won the fraternity crown with a victory over the Phi Sig Zombies, trailed at the half by a 27-12 margin. In a spirited rally they reduced the Beta lead, and with two seconds remaining, the Tau

team tied the score, only to lose on Peterson's clutch shot.

The Betas, who had previously defeated the Good Guys to take the independent crown, were sparked by the efforts of Bill Taylor and Mike Peterson. From the accurate shooting of the two men came 32 of the squad's 49 points. The Peltics, led by Leo Papas, had much of their scoring supplied through the efforts of Al Hoy, who tallied 17 points, and Kermit Goslee, who racked up 12.

Deadline Is Near For Jobs Abroad

Only 500 more young people from the United States and Canada, ranging from age 17½ to 40, will be accepted for participation in the 1966 summer Jobs Abroad program.

Sponsors of the program are ISIS, International Student Information Service in Brussels, and ISTC, International Student Travel Center in New York City.

Work available is in nine basic categories, ranging from camp counseling and construction to child care, office and resort-hotel work. The countries traditionally in demand are divided into four language areas: English (Great Britain and Denmark), French (Belgium, France, and Switzerland), and other (Spain, Portugal, Italy, Japan, Africa).

May 1 is the deadline for June work applications. For details write Airmail (15 cents) to: ISIS, 133 rue Hotel des Monnales, Brussels 6, Belgium.

Trackmen to Face Peru State On Home Cinders Tuesday

Having defeated Graceland thinclads in its season opener, the outdoor track team will meet the Peru State cindersmen at 2 p. m. Tuesday.

The Bearcats will lack the services of Gary Castle and Roger Stuckey in the mile, both men being sidelined with injuries. Coach John Wahrer plans to move up Kent Kavanaugh and Jim Trow from the half-mile in order to fill the gap.

The lineup for the Peru meet will have John Allen, John Banning, Normal Howlett, Butch Hummel, and Pete Hagar in the dashes; Hagar, Phil Frahm, Phil Close, and Pete Meindertsma in the 440 and the mile relay; and Danny Reed, Jim Trow, and Kent Kavanaugh in the 880.

James Johnson will compete alone in the hurdles. Howlett and Joe Peirce will combine in the broad jump, with Peirce entering the triple jump.

The remainder of the field events will pit Perry Courtney and Wilson Tateman in the high jump; Dennis and Dave Schnat-horst in the pole vault; Ron Pawlowski and Gary Hansen in the discus; and John Sanden and Nick Edwards in the shot

put. Coach Wahrer stated that Peru State from Nebraska has always been a tough opponent, and he expects nothing less at this meet. He added that the 'Cats will have to be at their best to down the Nebraskans.

Golfing Program Gets Under Way With 3-Way Meet

The MSC golf activities opened Thursday with a three-way match between the Bearcats, Midwestern, and Central Missouri State at Warrensburg.

Students are working out for this year's golf team as the weather permits. The golf course has been open since Mar. 17.

Coach Ryland Milner, athletic director and golf coach, said, "Of the returning lettermen, Don Belinger looks like the best golfer so far. Don Peterson is shooting well as is Jerry Robey."

Jerry Hansen, another experienced golfer, is practice teaching but expects to be on the course next week. Also trying out for the team are Dennis Kaupp, Creston, Iowa; Larry Maiorano, New York; Robert Kline, Clarinda, Iowa; J. B. Watsabough, St. Joseph; Tom Wiles and Tom Peake, Maryville; John Fontanini, Independence; and Ed Simons, Des Moines.

NOTICE

Because of Easter vacation, the Missourian staff will not publish issues during the two shortened weeks involved.

Today's issue, the last one until Apr. 22, was not distributed last Friday because the number of high school students on campus for spring music contest necessitated a college student vacation.

'Cat Tennis Team Starts 5-Meet Tour, Defeats Park College in Opener

The Bearcat tennis team, after a 5-4 victory over Park College, Mar. 26, will open a five-meet road tour against the CMSC Mules in Warrensburg today.

The road trip will continue into the Easter break, with the team meeting Southwest Missouri State, Tuesday; Oklahoma Baptist, Wednesday; Southeast Oklahoma State, Thursday; and East Texas State, Friday. The last tour matches are all new dual meet opponents.

Coach Robert Gregory plans to have Jim Schilling, Bob Schilling, Dick Schilling, Bruce Horrell, Jim Crozier, and George Varchola competing in

the singles. Doubles teams will be Varchola and Crozier, Bob Schilling and Dick Schilling, and Jim Schilling and Horrell.

In the Park College victory, Dick Schilling defeated George Green, 6-2, 6-2; Varchola beat Floyd Brown, 6-2, 6-0; and Crozier downed Dave Beers, 6-0, 6-3, to wrap up singles wins for the 'Cats. Bob and Dick Schilling defeated Green and Jerry Johnson, 3-6, 7-5, 6-4; and Varchola and Crozier beat Brown and Beers, 6-3, 6-0, in the team's doubles victories.

Coach Gregory commended Dick Schilling and Varchola, freshmen, on their performance in their first college match.
